

```

graph TD
    SD[System Design] --> HLD[HLD]
    HLD --> LLD[LLD]
    LLD --> C[Making Coding Room]
    C --> T[Testing]
  
```

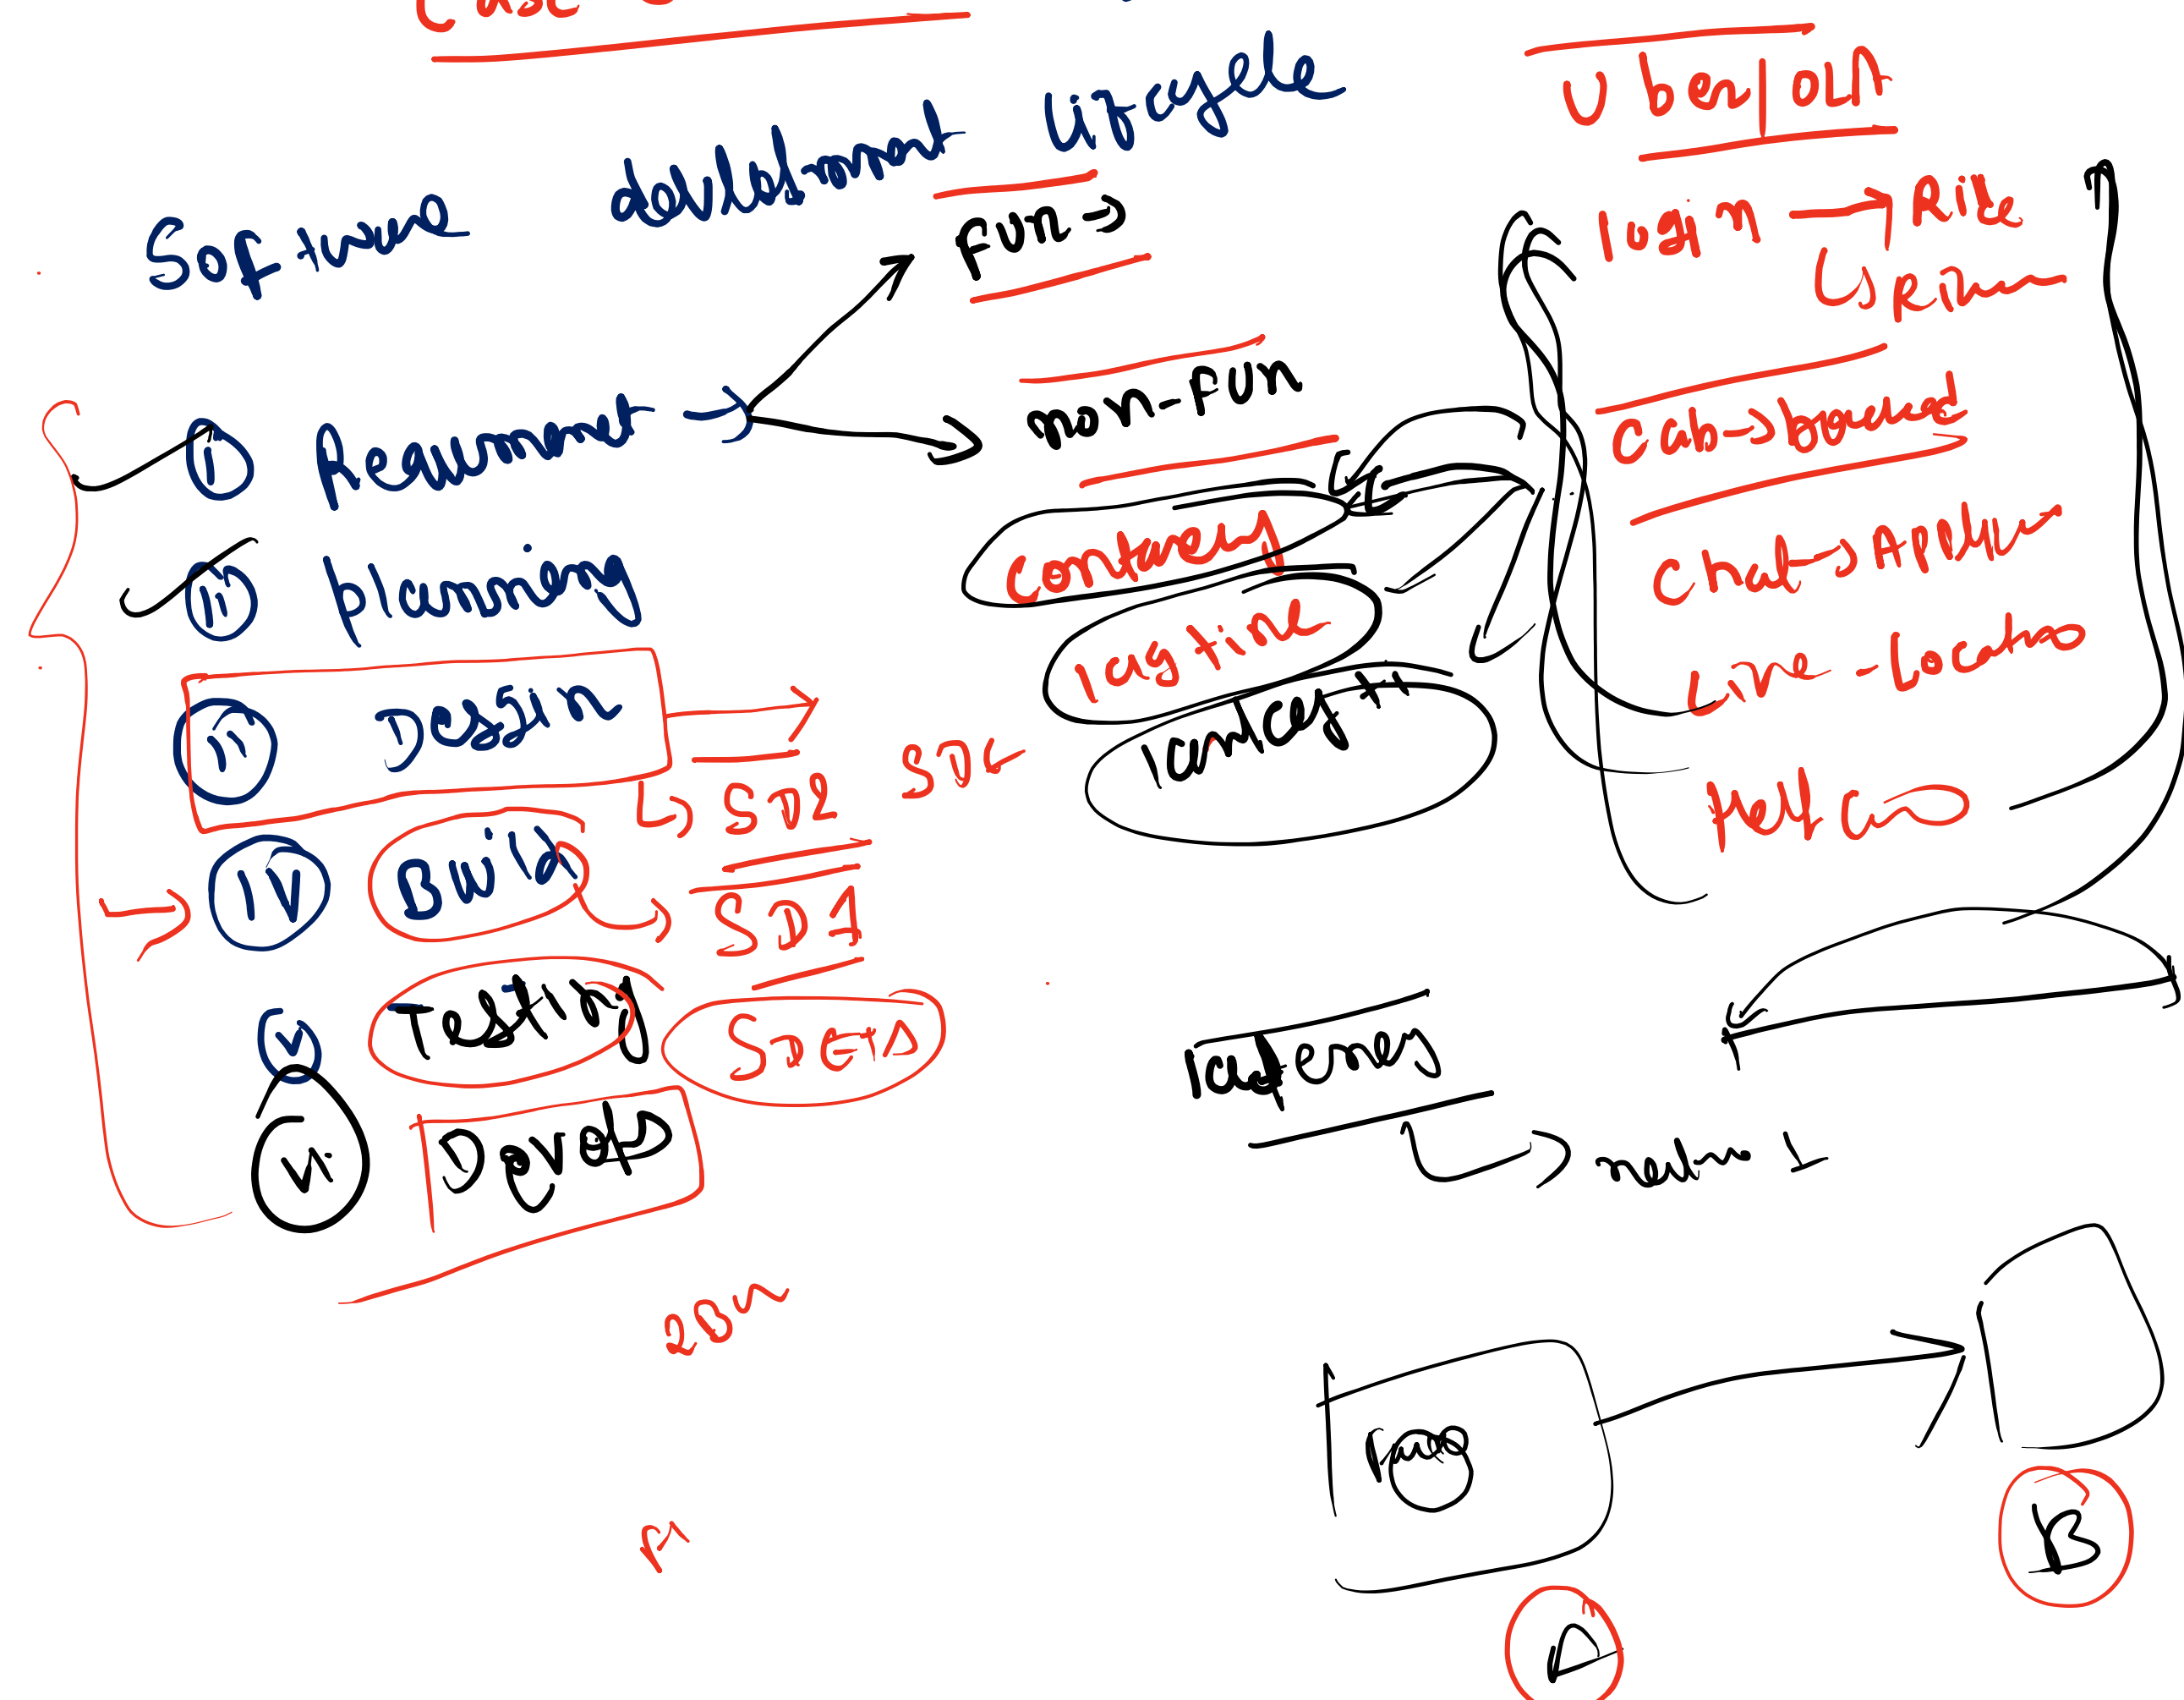

The diagram illustrates a workflow starting with 'System Design' (underlined). An arrow points down to 'HLD' (High Level Design). From 'HLD', an arrow points down to 'LLD' (Low Level Design). From 'LLD', an arrow points down to 'Coding', which is part of a group labeled 'Making Coding Room' (underlined). Below this group is 'Testing' (underlined). Red curly braces group 'HLD' and 'LLD' together, and 'Coding' and 'Testing' together.
